Neighborhood Christian School students, parents, and staff distributed empty bags to homes in Dixon on Friday, May 28, and then retrieved and delivered to Dixon Family Services bags stuffed with over 4,500 food items on Saturday, May 29. "It was a real blessing for Neighborhood to team up with Dixon residents and provide so many food items for the needy," commented Chris Bushey, Neighborhood's Food-A-Thon coordinator. "Even with the Memorial weekend and a tough economy, the Dixon residents came through for those less fortunate." Above, enthusiastic students amid sea of Food-A-Thon bags.
